

Dear Andover Borough Resident:

Dog Licenses must be obtained during the month of January. After January 31, licenses are considered delinquent and there is a late fee of \$5.00 per dog, per month. All dogs in the State of New Jersey must be licensed, according to State law, by the age of 7 months.

The cost for a license is \$8.00 for a dog that is spayed or neutered and \$11.00 for a dog that has NOT been spayed or neutered. Proof of rabies vaccination and spaying or neutering must be presented when licenses are obtained. State Law requires that rabies vaccination must be good until at least Nov. 1 of the licensing year. Pet owners are advised to consult their veterinarian if they have questions regarding vaccination overlap.

Licenses are available at the Borough Hall, Monday thru Friday, 9:00 a.m. to 4:00 p.m.

If you wish to obtain a license by mail, please fill out **ONE FORM FOR EACH DOG** (please make copies if necessary) and mail to Andover, Borough 137 Main St., Andover, N.J. 07821. Include proper fee, rabies vaccination certificate and a stamped, self-addressed envelope
