2024 CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

BOROUGH OF ANDOVER NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The attached Capital Improvement Program is designed to meet the requirements of law and therefore, is narrow in scope and limited by the use of standardized forms and summary sheets. In reality, the ongoing planning process is dynamic and continually changing. The primary purpose of this plan, however, is to serve as a guide for continuous planning and budgeting. The capital planning process includes input from various boards, individuals, and departments within the Borough.

The Mayor and Council are continuously conscious of capital improvements necessary within the Borough as evidenced by preparing this Capital Budget.

This Capital Budget is not a spending budget, but a plan for budgeting current and future improvements.

Andover Borough does not carry any debt. Annual Appropriations are made into the Capital Improvement Fund and Various Reserves to fund future projects without incurring debt.

Anticipated Projects for 2024 include various facility improvements including but not limited to:

- Roof Improvments
- Windows & Flooring Improvements
- Retaining Wall Improvements

Water Utility does not anticipate any Capital Projects for 2024. Funds will continue to be set aside for Improvements to the Water Tower.
